National Anthems

Bayang magiliw
Perlas ng Silanganan
Alab ng puso
Sa dibdib mo'y buhay.

Lupang hinirang,
Duyan ka ng magiting,
Sa manlulupig
Di ka pasisiil.

Sa dagat at bundok
Sa simoy at sa langit mong bughaw;

May dilag ang tula
At awit sa paglayang minamahal.

Ang kislap ng watawat mo'y
Tagumpay na nagniningning,
Ang bituin at araw niya
Kailan pa ma'y 'di magdidilim.

Lupa ng araw, ng luwalhati't
pagsinta,
Buhay at langit sa piling mo;
Aming ligaya na pag may mang-aapi

Ang mamatay ng dahil sa iyo.

Oh, say can you see, by the dawn's
early light,
What so proudly we hailed at the
twilight's last gleaming?
Whose broad stripes and bright
stars, through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare, the
bombs bursting in air,
Gave proof through the night that
our flag was still there.
O say, does that star-spangled
banner yet wave
O'er the land of the free and the
home of the brave?

2010-2012 PAMAG PRESIDENT

The Ritz Carlton Lodge • Lake Oconee Trail, Greensboro, GA 30642,
August 23-26, 2012

“All good things must come to an end” Human nature wants good things to continue ad infiniti and wants bad things to end quickly. Good things do end as surely as taxes and you know....

It has been a hectic two years for me and Cora. The main effort the two of us concentrated on was the medical mission to Puerto Princesa in Cora's home province of Palawan. And for those who went, I gathered that the amenities of the province made the sacrifices in money, time and effort by the medical mission volunteers worth their while, in addition to the uplifting feeling of having served humanity unselfishly. As with any campaign as big as a medical mission is, its accomplishments were not Cora and mine alone. It was a team effort with the team leaders of Romy Parungao, Willie Magat, Livia and Halbert Capuy, Marilyn and Paul Beltran, Grace Bautista, Mike Tan, the licensing work of Abe Magat, gathering of materials by many volunteers, the shipping work of Marilyn Beltran, the numerous donors such as Janice and David Petsch of Petsch Respiratory and Smile Train Foundation, the sacrifices made by the volunteers of their time, money and efforts and finally the coordination of the various facets of the medical mission by Cora, all contributed to its success.

As to second main objective, that of increasing the membership of PAMAG turned out to be a work in progress, not given to being completed during my two year term. We do have new members added to the roster. I will continue to work with the new officers to increase the membership.

Congratulations to the new officers headed by Romy Parungao!

**ROMULO PARUANGO, M.D.
PAMAG PRESIDENT & CHAIRMAN
OF MEDICAL MISSION 2012-2014**

The Ritz Carlton Lodge • Lake Oconee Trail, Greensboro, GA 30642,
August 23-26, 2012

It is with great honor and privilege I welcome all of you, my family, longtime colleagues, friends to the 37th annual conference and dinner dance held here at the Ritz-Carlton Lodge, lake Oconee, Georgia. 26 years ago, I was introduced as the 4th President of PAMAG, that was 1982-1984. Tonight I will be inducted as the president again of PAMAG for the 2012-2014. As luck will have it I will be the 19th president of PAMAG.

Hopefully I will be up to the task you have entrusted to me with help from all of you. As president, this office is a symbol of the leadership given to me, steeped with all the hope and success that embodied the previous leaders of this group. I commend President Lemuel Villanueva, Dr. Grace Bautista, Dr. Paul Beltran, Drs. Halbert and Livia Capuy for the accomplishments of the scholarship committee, the acclaimed CME seminars.

I pledge to continue the same goals with as much fervor and spirit that I can muster. But my friends I believe that our measure of success should be the footprints we leave behind each step that we have taken. The happy, grateful faces you see every time you leave a mission, the exciting letters from these scholars, the satisfied spirits after CME's are invaluable memories we all treasure for a long, long time.

This is why I believe that PAMAG should go on for many, many more another 37 years, accomplishing these good works. We should be united working as one, a team forever. God bless the PAMAG, all the people who make it possible, Good night and thank you. God Bless you all.

HALBERT CAPUY, M.D.
CHAIRMAN PAMAG SCHOLARSHIP PROGRAM

The Ritz Carlton Lodge • Lake Oconee Trail, Greensboro, GA 30642,
August 23-26, 2012

Greetings to PAMAG Members and Supporters.

It has been a rewarding ten years since the inception of our PAMAG Need Based Scholarship Program. Currently, we have produced fifteen successful graduates from different academic discipline ranging from IT's, Mechanics, Teachers and Accountant (CPA) and our latest graduate is a board topnotcher in Electrical Engineering. They are all wage earners now and supporting their family. Presently we have eight scholars taking up Teaching, Accountancy and Social Work majors.

We are blessed to have partnered with our good friends from Augusta, Mr. David and Mrs. Janice Petsch of Petsch Respiratory who sponsored four of these scholars for the past three years. I also would like to thank a recent anonymous PAMAG supporter who from the goodness of her heart donated three hundred dollars (\$300.00) to the fund.

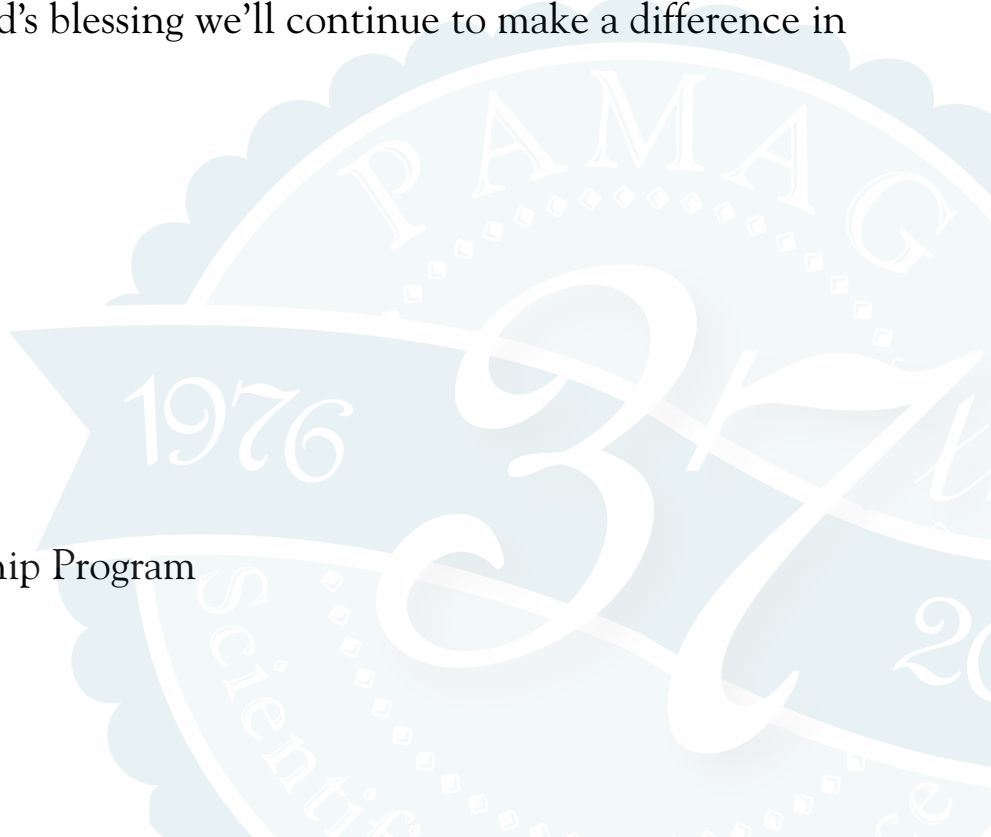

Lastly, I sincerely appreciate your unwavering support in making this as one of our successful projects and with God's blessing we'll continue to make a difference in the lives of Filipino youth.

Sincerely,

Halbert Capuy, M.D.

PAMAG AUXILIARY PRESIDENT 2012-2014

The Ritz Carlton Lodge • Lake Oconee Trail, Greensboro, GA 30642,
August 23-26, 2012

To All the **PAMAG** Members and the Auxilary,

May I take this occasion to express my gratitude for all the help and support you have extended to our causes during the last 2 years. This expression of gratitude also goes to the non – members of **PAMAG** like the Philippine Nurses Association of Georgia and to everyone who have directly or indirectly helped this organization.

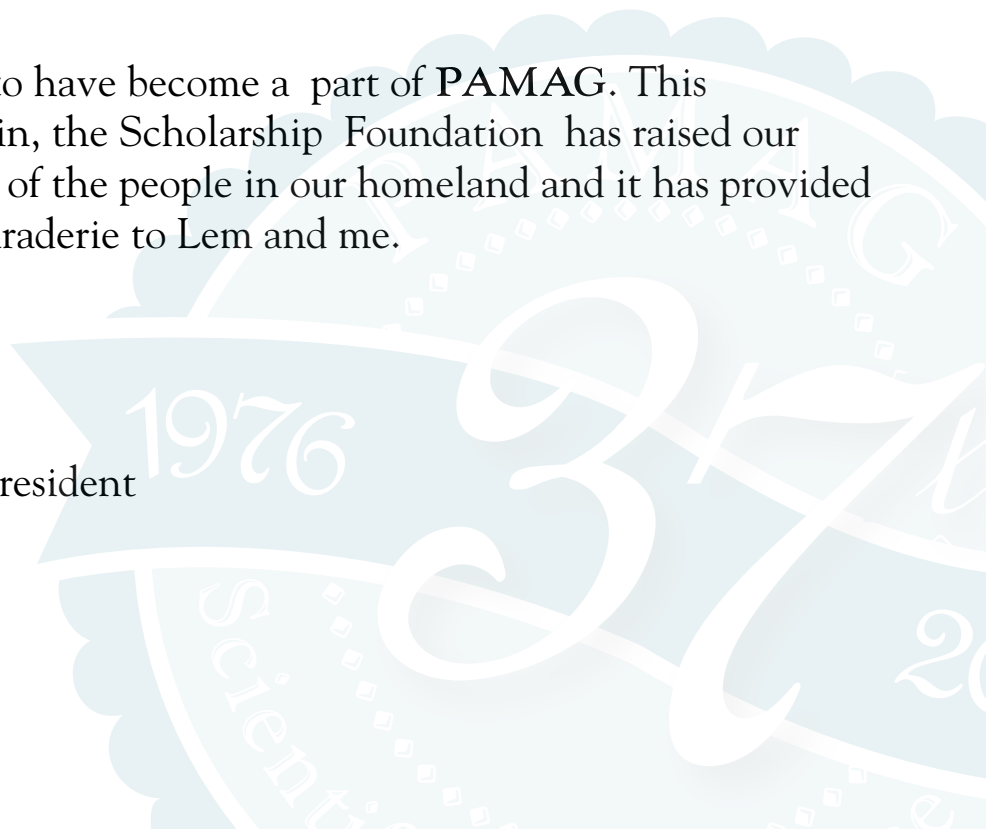

On behalf of the Palawenos who received the care and treatment during the past mission from the volunteers, there is not much to say except “**SALAMAT**”. A special thank you to Dr. Marliyn Beltran for going out of your way to come with me to Palawan six months before the mission to provide guidance, ideas and encouragement which I desperately needed in making the preparations. Thank you also to Dr. Grace Bautista in doing most of the preparations in Savannah for the opening event.

It was a privilege and a blessing to have become a part of **PAMAG**. This organization, with the Smile Train, the Scholarship Foundation has raised our awareness to the different needs of the people in our homeland and it has provided a venue for friendships and camaraderie to Lem and me.

No Filipino Needs To Live With A Cleft.

Smile Train Offers Free Cleft Surgery For Every Child Who Cannot Afford It.
Our Goal: A Cleft-Free Philippines

A cleft lip or palate is NOT a curse or omen. It's a simple birth defect that can be fixed with a simple surgery that takes as little as 45 minutes. If your child has a cleft, bring them to the nearest hospital for help. If you are too poor to afford surgery, come to a Smile Train Partner/Hospital, **call or text 091752TRAIN (0917-528-7246).**

The Smile Train has allocated \$20 million to help the children with unrepaired clefts in the Philippines. If you are a surgeon or hospital that would like to become a Smile Train partner, **email phinfo@smiletrain.org or visit www.smiletrain.ph**
