Dear Sir/Madame,

On behalf of the Philippine American Medical Association of Georgia (PAMAG), I am honored to reach out to you — our cherished friends, dedicated colleagues, generous vendors, and valued partner organizations. Today, I write with a heartfelt invitation for you to join us in a cause that embodies the very spirit of our mission: **healing communities, advancing medicine, and giving back to those who need it most.**

In celebration of the **50th anniversary of PAMAG** on **August 14-16, 2026** at **Hyatt Regency Atlanta**, we highlight our Annual Fundraising Gala & Scientific Conference to support our Biennial Medical Mission and projects to help our underserved *kabayans* (fellow citizens) in the Philippines.

In connection to this, we warmly invite your company to contribute to this meaningful endeavor. We welcome financial donations, in-kind contributions of goods or services, and product donations for our Gala's silent auction. Whether you are able to offer medical supplies for our Mission, underwrite a portion of our Conference, donate an item or experience for our auction, or simply make a monetary gift through our Sponsorship Package, your participation will be deeply felt and sincerely appreciated.

In recognition of your generosity, your company will receive appropriate acknowledgment in our event programs, promotional materials, and digital communications — reaching our members, their families, their patients, and the broader Georgia medical community. Beyond visibility, you will have the knowledge that your business stands alongside an organization making a real, measurable difference in people's lives.

Your support is more than a business decision — it is a statement of values. It says that your company believes in the power of community, in the dignity of every patient, and in the importance of advancing medicine for the benefit of all. We are deeply grateful for the relationship we share with you, and we hope that you will stand with us in these worthwhile endeavor. We recognize that the capacity and nature of generosity varies, and every contribution — whether financial, in-kind, or through sponsorship — is a vital and deeply appreciated gift. To make your donation or discuss partnership arrangements, attached herewith is the **Sponsorship Package**. For more inquiries, please contact us at **Treasurer@PAMAG.US** or **+1(207)689-8988**. We would welcome the opportunity to speak with you directly and address any questions you may have.

With sincere gratitude and deepest respect,

CARLOS TAN, MD
President, PAMAG

About PAMAG

Established in 1976, PAMAG is a nonprofit organization composed of physicians and healthcare professionals dedicated to promoting medical excellence, community health initiatives, and cultural heritage. At PAMAG, our mission is rooted in a deep commitment to education, service, and community. We provide ongoing medical education to professionals in both the USA and the Philippines, conduct biennial medical-surgical missions, and offer scholarships to deserving Filipino students. Through fellowship events, health initiatives, and cultural promotion, we strive to make a meaningful impact within the Filipino American community and beyond.

About the Medical Mission

At the heart of everything we do is our Biennial Medical Mission — a direct, hands-on commitment to delivering free healthcare services to those who cannot access or afford them. Our volunteer physicians, nurses, and allied health professionals provide free medical consultations, screenings, medications, dental care, and health education to hundreds of patients in a single day. Every dollar raised directly translates into a life touched, a condition diagnosed, a family reassured. Your support makes it possible for us to expand this mission, reach more patients, and bring care to the most vulnerable among us — both here in Georgia and in underserved provinces of the Philippines.

About the Event: Fundraising Gala & Conference

On **August 14-16, 2026**, PAMAG will commemorate a significant milestone — our 50th Anniversary Annual Fundraising Gala & Scientific Conference. It is a beautiful weekend of celebration, community, and purpose. It is a gathering of our most passionate supporters — physicians, business leaders, community champions, and dear friends — united by a shared belief that medicine is a calling and service is a privilege. The Gala features an elegant dinner, live entertainment, inspiring testimonials, a silent auction, and special recognition of our most outstanding contributors. We cordially invite you to purchase a table or individual tickets, place an item in our silent auction, or sponsor a segment of the evening. Each level of participation carries meaningful recognition and more importantly, a direct contribution to our **2028 Medical Mission**. The Scientific Conference elevates the standard of clinical practice among our membership and the broader medical community. Sponsoring this conference places your name and your organization alongside some of the brightest minds in medicine — and ensures that our physicians remain at the leading edge of their fields.

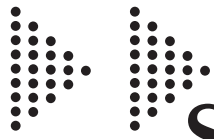

Why SPONSOR our worthy cause

As a sponsor, your support directly funds life-changing procedures, medical supplies, and patient aftercare while reaching hundreds of patients and their families and demonstrating corporate social responsibility to a broad, engaged community.

Your sponsorship includes prominent recognition across event materials, on-site visibility, and opportunities for company engagement and media exposure. This will enable our physician and allied health members and supporters to discover your product, fostering enduring connections and brand loyalty.

As a registered nonprofit, donations made to PAMAG are **tax-deductible** under IRS Section 501(c)(3). This means your contribution directly reduces your taxable income - so you're not just investing in our community, you're making a smart financial decision. Every dollar you give works twice: transforming care for underserved patients while creating meaningful value for you and your company.
